ABOUT MEOW WOLF

Recognized in Fast Company's 2020 list of **World's Most Innovative Companies**, Meow Wolf is a Santa Fe-based arts and entertainment company that creates immersive, interactive experiences to transport audiences of all ages into fantastic realms of story and exploration. Meow Wolf works with hundreds of creatives to build havens for inspiring possibility, and a sense of belonging for both artists and guests. At each location, local and international artists work together to create inclusive installations reflecting both the cultures of the surrounding community and the greater fellowship of artists.

ABOUT HOER

The original permanent Meow Wolf exhibition, **House of Eternal Return** is a monumental achievement in DIY world creation and collaboration, featuring work by local and community artists. At House of Eternal Return, people of all ages are encouraged to explore a curious family home, a mysterious tragedy born out of scientific experimentation, and the spectacular dreamworlds that have emerged in its wake. Simultaneously an expression of punk subversion and magical humanness, Meow Wolf Santa Fe is boldly playful in its presentation and willingness to reveal the hands of its creators. Meow Wolf champions otherness, weirdness, challenging norms, radical inclusion, and the power of creativity to change the world.
