2026 FINAL Annual Awards

National Point Standings as of 11/25/2026

Eliminations have been made for two state attendance and Regional or higher show.

RULE 157. POAC NATIONAL YEAR-END AWARDS

A. The POAC presents National Year-End Awards in approved sponsored events to recognize outstanding performances by POAs and POAC riders. These events are available for sponsorship each year (with the exception of Memorial Awards and Traveling Trophy Awards).

1. Year-end awards are based on the total number of national points accumulated in a particular event(s) during that calendar year by an exhibitor or pony.
2. All national points are based on show results received at the POAC Office from the show secretaries of approved POAC shows. Show results shall be checked carefully for accuracy by the POAC Office. Approved POA shows are entitled to national points on the basis of classes offered and advertised.
3. Any class not listed in this Handbook will not count for national points.
4. National points and National Year-End Awards shall not be given until all accounts, including entry fees, any other fees, and bad checks have been paid in full to the POAC Office, state/chapter, local and independent clubs or activities.
5. All corrections of show awards and points are closed 30 days after publishing on the POAC website.
6. If stallions shown at halter are altered during the year, any points earned as a stallion at halter during that show season will not count as gelding points toward National Year-End Awards. They do count toward ROM awards.

B. Requirements for National Year-End Awards

1. The exhibitor or pony must have placed in the class for which each was in contention in approved POAC classes in at least one state other than the exhibitor's state of residence. The exhibitor must also show in at least one open show in their state of residence in place of a required POA show in that state if there is no active state POA club. This is only to meet the requirement of showing in two different states. An Open Show Affidavit and the required fees must be submitted and be approved by the POAC National Office. In addition, the exhibitor or pony must have shown in at least one Regional Show, the National Congress Show or in another nationally sponsored show.
2. In the event of a tie, it will be broken in favor of the exhibitor or pony that has earned the largest number of points in that class at the National Congress Show, another nationally sponsored show or a Regional Show. If the tie remains unbroken, a duplicate award will be presented.
3. Both the owner and the exhibitor must be active members of the POAC to be eligible for National Year-End Awards. See Rule 2.
