PRODUCT INFORMATION

GEN 40 PG LA

Low Ash Motor Oil for Gas Engines

No. 600040

GEN 40 PG LA is a semi-synthetic oil with high protection against deposits and wear during long oil change intervals. The low-ash formula protects catalytic converters and other exhaust gas after-treatment systems.

Typical Values			**Advantages**
Density at 15°C	g/ml	0,86	- optimum engine cleanliness - long oil changing intervals - high wear protection - high oxidation stability
Pourpoint	°C	<-20	
Viscosity at 40 °C	mm²/s	120	
Viscosity at 100 °C	mm²/s	13,5	
Viscosity Index		109	
Base Number	mgKOH/g	5,6	
Sulphated ash	%	0,47	

Specification

SAE 40;
Caterpillar MWM TR 0199-99-2105/7;
Wartsila 34SG; Wartsila 32DF; Wartsila 28SG; Wartsila 220 SG;
GE Waukesha (Kraft-Wärme-Kopplung);
MAN D365600-1.35-1; MAN D6628 3.3.6-01;
Perkins;
MTU Öl Typ 1;
GE Jenbacher TI 1000-1109; GE Jenbacher TI 1000-1109;
Waukesha 12V/18V 220 GL
