From the start of the buzzer, riders will have a fixed time (e.g., 60 seconds) to clear as many jumps as possible, accumulating points for each successful attempt. Each jump may be taken no more than twice. After time runs out, competitors may take on the "Gambler's Choice" fence, a high-risk, high-reward jump, offering a last chance to boost their score. Scottsdale Halter Exhibitors:

The Scottsdale Show Commission kindly requests your cooperation with the guidelines for Halter Handlers & Exhibitors at the 2027 Scottsdale Arabian Horse Show. We believe that each horse should have the opportunity to "warm up" properly before entering the ring. The use of a whip with an attached bag is intended to enhance the horse's natural Arabian spirit, not to induce fear. As part of the halter community, we recognize that the excitement of showcasing these magnificent animals is what fuels this industry. Historically, the U.S. has been at the forefront of this passion, but our shows must remain as exciting as their international counterparts. If we limit a horse's ability to showcase its natural animation, it's akin to removing home runs from baseball or slam dunks from basketball—it diminishes the excitement that attracts audiences. This is a crucial time for our industry, one where we need to encourage new participation and keep spectators engaged.

Objective: To improve public perception regarding the treatment of halter horses, the assistant helping to prepare the horse for entry into the arena will be confined to a designated space. This is intended to dispel any concerns that the horse is being forced or chased.

Guidelines:

- **Assistants:** Each exhibitor may have one designated assistant to help with the entrance of in-hand horses into the ring.
- **Whips:** The designated assistant may use a whip with the same dimensions currently allowed for handlers (as per AR114.2). Whips must not exceed 6 feet in length, including the snapper, lash, or appendage. Small appendages (no more than 12 inches in length) made of ribbon, plastic, etc., are permitted. Show Management will provide the whip for the assistant, and no other whip may be used.
- **Designated Area:** Show Management will create or designate an area (no larger than 6 feet by 15 feet) where the assistant must remain while assisting with the horse's entrance.
- **Prohibited Actions:** Assistants are not allowed to hit or make noise with other objects such as trash cans or walls. Only the whip provided by Show Management is allowed, and no additional bags or devices may be used (as per AR114.2).
- **Enforcement:** Show Management, in collaboration with the USEF Steward(s), is responsible for ensuring that assistants understand and adhere to these guidelines. Violations of this rule may result in a warning card for both the handler and the assistant. Repeated violations may lead to disqualification and further penalties.

We appreciate your cooperation as we work to maintain the excitement and integrity of our show while addressing public concerns.

FREESTYLE LIBERTY - ARABIAN

Open to purebred Arabian horses only. Horses must be shown without tack, equipment, artificial appliances or appendages. A two-minute time limit will be allowed for each horse in the qualifying rounds and in the championship final round. No more than two handlers per horse are allowed in the ring at one time. While at liberty, the horse may perform at any gait, horses may perform tricks within their 2-minute time at liberty to count towards their performance score. Handler(s) shall not touch the horse with whip or ride the horse at any time from entrance into the show ring until after the expiration of the time limit. Horses are encouraged to exhibit Arabian presence. The use of a standard halter show whip is allowed. Each entry will furnish music for their performance. The music must be marked with the horse's name, entry number. If the exhibitor does not supply music, the show committee reserves the right to select appropriate accompaniment. Three judges will score each horse. The scoring system is from 1-10 in five categories: type, presence, animation, movement and performance, with a possible high score of 50. These classes are not USEF-Rated or AHA approved classes for points. The Show Committee shall handle all disputes and inquiries and their decision shall be final. Entries will be limited to the first 25 entries received. Some sections if not filled may be cancelled. The total prize money will consist of $5,000. HALTER/BREEDING & IN-HAND

The Arabian Horse Association of Arizona has implemented rules for the paddock and entry area for all Halter classes. These rules will be strictly followed. EFFECTIVE IMMEDIATELY, one person per class will be designated to assist with the entry of the Halter classes. Only that person will be allowed to use any sort of device to enhance the performance of the Halter horses. The designated person will be provided a whip with appendages that can be used to enhance the Halter horses in the paddock area. No other devices will be allowed. No one, including the designated person, will be allowed to hit or use any other objects, such as trash cans, walls, plastic signs, etc. to make additional noise. Additionally, no one will be permitted to use plastic or paper bags of any type or size in assisting with entrance into the Halter arena. Should this rule/policy be violated, the person violating the rule and the handler and/or trainer associated with the person violating the rule can be subject to sanctions. The gate will close when final horse has entered. All horses will be called to walk; horses will be judged at the walk. Upon completion of walk Judges will then begin individual judging of horses. Only the next horse on deck is allowed to school. After all horses have been presented in center ring there will be a 5-minute final review of the horses on the rail (it is not mandatory that the judges do a final review). See general conduct according to USEF rules. Because the Arabian Scoring System is not utilized, the Scottsdale Classes will not be recorded by AHA. As such, placing in halter classes not using the Arabian Scoring System will not earn points for any AHA programs (i.e.: Qualification Points, Sweepstakes Points, Achievements Award Points, etc.). All halter classes will be held using the Scottsdale Comparative Scoring system using Three Judges or Five-Judges (see individual sections for scoring system used). ADMISSION TO RING - There will be an assigned order of go in all Halter classes. The Order of go shall be determined and posted by the birth date of each horse, from youngest to oldest. The prescribed order of go must be strictly followed. Horses that have missed entering the arena in the assigned order will be led in by the steward to their assigned order of go position on the rail. It is the exhibitor's/handler's responsibility to enter the arena in the posted order of go.

SCOTTSDALE ARABIAN HALTER

These classes will utilize the Scottsdale Comparative Scoring with the three (3) or five (5) judges. Horses will enter the arena in-hand at a trot, guiding in a counterclockwise direction. Each horse shall trot in one at a time and shall proceed at the trot until reaching its designated position in line as directed by the ringmaster. The judges and show management at their discretion may omit the walk on a loose rein from the BC halter classes. In the Scottsdale Arabian Yearling and 2-year-old classes if entries warrant will be split by age into two separate classes.

The top six (6) horses from the 0.90M and 1.0M classes in the Championship Jumper Division will qualify for this class. If fewer than six (6) horses are available, the 0.80M classes may be used to fill the remaining spots. Each obstacle will have a point value based on its difficulty. Fence heights will range from 0.90M to 1.2M. Riders will have a set time to complete their round, with the competitor earning the highest number of points declared the winner. A course designer will set up 8 to 12 jumps in the arena, each of which can be jumped in either direction. Jumps will have assigned point values, with more challenging fences worth higher points (e.g., 30, 40, 50, 60, 70, 80, 90, 100, 120). From the start of the buzzer, riders will have a fixed time (e.g., 60 seconds) to clear as many jumps as possible, accumulating points for each successful attempt. Each jump may be taken no more than twice. After time runs out, competitors may take on the "Gambler's Choice" fence, a high-risk, high-reward jump, offering a last chance to boost their score. However, knocking down a rail means losing the fence's value from their total. In case of a tie, a jump-off will determine the winner.

WALK/TROT CROSS RAILS, PLEASURE, REINING & TRAIL

Youth (10 & Under) riders may not have been judged in a class at a recognized competition that required a canter or lope. Open to Arabian/HA/AA mares and geldings. Stallions are prohibited in 10 & Under Classes. (AR305) All Youth (18 & Under) Walk/Trot classes count towards the Walk/Trot High Point. Exhibitors who show in Walk/Trot or Jog 11 and Over classes may NOT show in any other class at that competition that requires exhibitors to show at the canter or lope, but may enter any class that does not require a canter or lope. An exhibitor that shows in Walk/Trot or Jog 11 and Over classes may show in classes requiring a canter or lope at a later show in that show season, but, once they do so, become ineligible to compete in Walk/Trot or Jog classes for the remainder of that show season. Eligibility to show in these Walk/Trot or Jog 11 and Over classes begins with each show season regardless of whether the exhibitor has previously shown in classes that require a canter or lope. (AR317)
