

Exciting News:

Diamond Engineered Sales Joins WD Engineering Sales!

We are thrilled to announce that Diamond Engineered Sales is officially joining WD Engineered Sales, effective [1/1/2026]! This merger brings together two industry leaders, combining our strengths to offer you an even broader range of innovative solutions and unparalleled service.

Now offering representation in Indiana, Illinois, Wisconsin, Minnesota, Iowa, Nebraska, Kansas and Missouri by the Diamond / WD Engineering Sales team

Expanded Product Portfolio

Access to a more diverse selection of high-quality engineered products and services.

Streamlined Operations

Improved efficiency and responsiveness in order processing, delivery, and customer support.

Enhanced Expertise and Support

A larger team of experienced engineers and specialists dedicated to meeting your unique needs.

Continued Commitment to Quality

Our unwavering dedication to providing top-notch products and services that exceed your expectations.

Looking Ahead

Over the coming months, we will be working diligently to integrate our teams and Diamond will be using the WD Engineering Sales name as we merge systems to ensure a seamless transition. We are committed to keeping you informed every step of the way.

In the meantime, please do not hesitate to reach out to your existing contacts at either WD Engineered Sales or Diamond Engineered Sales with any questions or concerns. We are excited about this new chapter and the opportunities it brings for all of us.

Thank You

Thank you for your continued partnership. We value your business and look forward to serving you even better in the future.

Sincerely,

The WD Engineered Sales and Diamond Engineered Sales Teams
