

Equipment Name: _____

Employee Name: _____

Equipment Hours: _____

Walk Around

- Login ChekOne to Equipment and Task
- Physical Damage
- Leaks
- Tire Inflation Visible Check
- Cleanliness
- Unplug Electrical Frost Cord
- Attachment Check

Key out of Ignition

- Lift Engine Compartment Hood
- Belt Tension
- Air Filter
- Fire Check - Engine Clean no Fuel Leaks
- Fluid Service
 - Engine Oil Level
 - Condition
 - Transmission
 - Hydraulic Oil
 - Brake reservoir
 - Coolant Level
 - Windshield Washer Fluid Level
- Battery Terminal and Fastener Check

Chassis Cab and Tires

- Tire Pressure
- Cracked Worn Hoses
- Pins and connections
- Grease Service
- Wheel Bolts
- No Loose Articles or Debris
- Break and Accelerator Linkage Lubed

Hydraulics

- Hoses checked for cracks
- Hoses checked for leaks
- Cylinder checked for leaks

Pre-Start

- Key Ignition In
- On No Start
- Light Check
 - Beacon Check
 - Signal
 - Hazard
- Check Mirrors
- Check Seat Belt and Fasten
- Wiper Check
- Fuel Level
- Backup Camera
- Horn
- Seat, Pedal and Shifter Adjustment
- Transmission Neutral + Park Brake On
- Throttle to Minimum
- All Electrics Off
- Check for All Clear
- Start Engine adjust RPM to Minimum Smooth Idle
- Park Brake ON
- Monitor Oil Pressure to Operating Range within 15 Seconds
- Exhaust System Check - Leaks or Noise
- Shut Off Warning Lights Buzzers or Other Warning Provided or Leaks

Pre-Operation

- Brake Check
- Steering Check
- Bucket or Attachment Check
- Back Up Alarm
- Warm Up Cycle
- Clear Windows No Fogging
- Turn Beacon On
- Doors Window Closed
- Seat Belt Snug
- 2 Way Radio Check

Date Checked: _____ **Operator Sign-off:** _____

CALL Nate or Katie immediately to inform of any issues or questions. After reported you will send a report with photos to repairs@ecocareltd.com immediately
Nate – 519-722-1642 Katie – 519-757-9697 Eric – 519- 897-1701
