VR SHOWDOWN

OBJECTIVE: SHOW STUDENTS HOW PUBLIC PROCUREMENT IS A RELATABLE CAREER THAT MAKES A DIFFERENCE IN THE LIVES OF THEIR COMMUNITIES.

1. SET THE STAGE:
IMAGINE YOU ARE A PROCUREMENT PROFESSIONAL FOR A SCHOOL DISTRICT AND WANT TO HELP YOUR STUDENTS EXPLORE THE JOB OPPORTUNITIES IN YOUR COMMUNITY THROUGH VIRTUAL REALITY EXPOSURE BY PURCHASING VR HEADSETS.

2. TEAM CHALLENGE
-MATERIALS: PENCIL, HANDOUT, & TECHNOLOGY TO PRESENT POWERPOINT. STUDENTS WILL BE GIVEN A LIST OF VENDORS & CRITERIA FOR THE VR HEADSETS. THEIR GOAL IS TO DECIDE WHICH VENDOR IS THE BEST CHOICE BASED ON THEIR SCORING OF THE CRITERIA.

3. GROUP PRESENTATIONS: STUDENTS WILL PRESENT THEIR CASE ON THE BEST VENDOR FOR VR HEADSETS AND EXPLAIN HOW THEY WEIGHED THEIR CRITERIA.

4. WRAP-UP & CAREER TIE IN:
THIS IS A PART OF THE PROCUREMENT PROCESS THAT PROFESSIONALS GO THROUGH FOR EVERY CONTRACT: DECIDING THE MOST IMPORTANT FACTORS AND PICKING THE BEST PERSON FOR THE JOB. PROCUREMENT IS ABOUT SERVING YOUR COMMUNITY AND MAKING AN IMPACT WHERE IT MATTERS.

ENCOURAGE STUDENTS TO THINK FROM OTHER PERSPECTIVES, WHETHER THAT OF THE VENDOR OR THE CONSUMER OF THE PRODUCT.
