General Practitioner
MB, BCh, BAO,
DRCOG, DCH,
MSc (Med. Ed.), MICGP

Vision Screening Advice Beforehand

Please review the below carefully to minimise the likelihood of delays and increased costs associated with retesting where same is required.

1. Identification
    a. Please ensure to bring valid, in date, government photo identification. E.g. passport.

2. Vision
    a. Please bring all types of glasses and/or contacts worn to improve vision. Including the ability to remove contact lenses.
