November 2026 EPISODE SUMMARIES

Coffee With America – Episode 643 (October 31 - November 6)
This week on *Coffee with America*, Sasha Rionda shares smart tips for safely sending money to loved ones overseas, keeping your car road-ready, and making the most of employee benefits. Plus, the show explores how artificial intelligence is helping small businesses save time and how new cybersecurity programs are preparing students for future careers.
We also escape to Costa Rica for a luxurious tropical getaway, discover ways to bring the coffeehouse experience home, and take a fascinating look at how waste is being transformed into energy and building materials.

Coffee With America – Episode 644 (November 7 - November 13)
This week on *Coffee with America*, Sasha Rionda honors our nation's veterans and shares the inspiring story of Paralympic athlete Shawn Cheshire and her documentary *Blind AF*.
Plus, we escape to Costa Rica for a beautiful rainforest getaway and catch up with rising Hollywood stars from the upcoming films *Paper Tiger* and *Violent Night 2*. The show also shares cozy fall coffee creations, fun new toys, practical advice for healing after a breakup, and simple ways to refresh your daily wellness routine.
