About Us

Tucano's is a Modern Tiki bar. We take the tropical flavours of tiki and combine that with the approachable herbal notes of aperitivo. This unique pairing runs through the drinks and food, which is served up by attentive, fun-loving staff in an unapologetically bold and colourful atmosphere.

We encourage you and yours to come in and Wet Your Beaks.

Our Spaces

Whether it’s a company function, brand activation, birthday party or a venue-exclusive, we have a truly unique space to suit every occasion.

Tucano’s works on a minimum spend policy. We do not charge a room hire fee.
All food and drinks are charged on consumption.

Our Spaces

Fire Lounge

Fire Lounge is a space with a horseshoe-shaped configuration around a fireplace. Guests can walk between the space easily and utilise the plush banquette seating, fine marble top tables and well appointed chairs.

A replica fire provides light and warmth, while portlights add to the moody atmosphere.

Capacity: 14 seated

Our Spaces

Stone Lounge

Paying homage to the historical building we're in, this space takes its name from the limestone that makes up the back wall.

Perpendicular banquette seating runs along the wall, with firm hexagonal wooden tables and designer chairs.

The room is pulled together by a playful cream and pink carpet and striped zebra print ceiling.

Capacity: 16 seated, 25 standing

Our Spaces

Mirror Lounge

Inspiration for this unique space comes from the universal symbol of a good time - the disco ball.

Two convex booths face each other and provide an intimate space for those perched on the plush banquette seating. Animal print armchairs provide extra seating.

Best of all, a disco ball resides in the space, bouncing light throught the area and bringing the party vibes.

Capacity: 10 seated

Our Spaces

Courtyard

An airy space exists outside just past the bar. Providing a faded tropical aesthetic, the Courtyard's centrepiece is a toucan mural encouraging guests to wet their beaks.

Small pink stone tables are accompanied by pink and white wicker chairs and banquette seating with bar cushions.

It provides great light in the day or night, giving the impression that you're in an oasis in the middle of Surry Hills.
The enclosed roof and aircon allow comfort all year round

Capacity: 14 seated, 25 standing

Our Spaces

Whole Venue

For larger functions looking for the ‘wow’ factor, we offer full venue exclusives.

Capacity: 65 seated, 120 standing
