The James Beard and Michelin-recognized team behind
The Spice Table and Cassia proudly presents

Jade Rabbit

Jade Rabbit is a celebration of Chinese-American food –
a unique cross-pollination of Chinese and American cuisines
built out of necessity, hard work, creativity, perseverance and
the entrepreneurship of Chinese-American immigrants.

Our family has been cooking Chinese-American food in
Los Angeles since the 1950s. Jade Rabbit is an ode to that family
history and we hope to honor it while evolving Chinese-American food
that is healthy, quick, delicious, thoughtfully prepared and sourced
using quality ingredients.
