ABOUT EMFASIS

Emfasis Non-Profit is a private, nonprofit initiative (Civil Nonprofit Corporation – AMKE), which has been working tirelessly since 2013 to restore the dignity of people experiencing multiple forms of homelessness.

The organization operates independently of government or European programs and relies exclusively on donations from individuals and contributions from companies and foundations in Greece as well as in the host countries of the Greek diaspora.

WITH EMFASIS ON TRANSPARENCY

Every donation to Emfasis Non-Profit is guided by the principles of Transparency, Immediacy, and Effectiveness.

The organization's experienced staff ensures the prompt allocation of every form of support in order to effectively address the most urgent needs of its beneficiaries. Indicatively, a monetary donation helps cover essential needs such as food, survival supplies, personal hygiene items, and temporary accommodation.

For every monetary donation, an official legal receipt is issued through the Greek Independent Authority for Public Revenue (AADE) system, along with an Impact Report detailing the contribution's outcome.

The financial results presented are consistent with the income and expenditure records maintained by the Non-Profit Civil Company (AMKE) and are in agreement with the official financial statements submitted to the competent financial authorities by the accounting firm KOUTROUMANOU AGLAIA – ACCOUNTING SERVICES, headquartered in Korydallos, Greece.

In addition, the Organization is currently completing its financial audit for the fiscal years 2023, 2024, and 2025 through a certified firm of Chartered Auditors.

The audit is expected to be completed by June 30, 2026.
