ASSOCIATE OF BIBLICAL STUDIES

The Associate of Biblical Studies **(ABS)** degree provides professional training for those currently in the marketplace, and/or those who are involved in lay ministry or are preparing for church or parachurch ministry. Course work provides an academic study of the Bible, an integrated systematic theology, and practical tools and methods to effectively minister in daily life.

Recognizing the primacy of the Holy Spirit's work in producing a true minister of God, the Church as a whole seeks to cooperate with, and contribute towards, that labor by its purposed efforts in offering godly, Biblical instruction to disciples hoping to enter into ministry, whether congregational, cross-cultural or parachurch in nature. The ABS degree offered by Pacific Bible College seeks to cultivate and equip Servant-Shepherds to the Body of Christ. **Successful completion of the ABS degree program will equip the graduate to:**

Model Christ by demonstrating:

ASSOCIATE OF LIBERAL ARTS

The Associate of Liberal Arts **(ALA)** degree program is an interdisciplinary program of study that provides a broad exploration of the ideas, values, issues, and heritage of civilization. Students develop a broad understanding of the liberal arts and sciences, their interrelationships, and their integration with the Christian worldview. A Christian liberal arts education is established on the premise that faith and learning are inseparable with respect to the social, intellectual, and cultural fabric of life. It recognizes that knowledge, wisdom, and understanding begin with faith in, and reverence for, Jesus Christ, acknowledging that He is the ultimate revelation of God's purpose for mankind. All things were created through Him and for Him, therefore the seat of academic learning is fully accomplished through the lens of the Christian faith. **Successful completion of the ALA degree program will equip the graduate to:**

1. Reason critically through the lens of a Christian worldview concerning truth, values, ideas, aesthetics, and community with the ability to engage the culture with compassion and understanding.
2. Demonstrate a breadth of knowledge in the disciplines of Biblical studies, theology, natural science, fine arts, humanities, social science, mathematics, language writing and human development.
3. Demonstrate skill in the professional and personal competencies of communication, analytical thinking, problem– solving, reading for information, listening for understanding, innovation, and teamwork.
4. Achieve academic success in four–year baccalaureate programs and beyond.

CERTIFICATE OF CHRISTIAN MINISTRIES

The Certificate of Christian Ministries **(CCM)** program provides a one-year intensive introduction to the basic elements of Christian ministry and Biblical worldview. This program is designed to offer a solid foundation upon which the student will be able to build ministry skills and personal maturity. This certificate will be most helpful to those seeking to volunteer in their church or with a missions organization. The CCM is the first half of PBC's Associate of Biblical Studies degree program. **Successful completion of the CCM program will equip the awardee to:**

1. Articulate the Gospel and explain basic Christian theological formulations regarding the Trinity, Salvation, and the Bible as they are revealed in the Old and New Testaments.
2. Demonstrate growth in the academic skills of reading and writing within the subject range of this program.
3. Demonstrate growth in the skill sets and capabilities of operating effectively in practical ministry settings.
4. Articulate the underlying foundations of a Christian worldview and its ongoing interface with historical and current non-Christian cultural narratives.
