Life Group Questions to consider:

1. We send on mission to multiply.** God calls us in a direction, but His direction is usually not our selection. Why does following God's direction often include difficulty? What direction from God have you avoided because it was difficult?

2. Carefully read through Acts 27:1-44.** Why does God send Paul to Rome in the less-than-desirable situation of being a prisoner on a dangerous voyage? Why was the centurion more persuaded by the pilot and captain than by what Paul said? What do you think would've happened if the centurion had been persuaded by Paul? What is the connection between difficult circumstances and abandoning hope? How can Paul maintain courage during the ship's crisis? Why do the centurion, soldiers, and entire ship follow Paul's lead? How does God demonstrate His faithfulness?

3. How will you respond to this passage of Scripture?** What voice will you listen to? This week, follow God's direction even when it's difficult. Tell someone how you've seen God's faithfulness. Encourage someone to trust Jesus and find hope in Him!

Prayer:

- For each person in your group to know which next step God is calling them to. Pray that they will have clear opportunities to see God work in their lives.
- Pray that the group would surround the collective next steps and help encourage as they are taken.
- Pray for interactions with people far from God and for the group to be able to step into those conversations.
