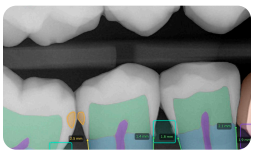
Pearl & HENRY SCHEIN DENTAL

Second Opinion®

Elevate Every Case Presentation.

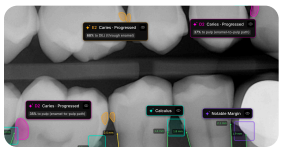
You know what your patients need. Pearl's Second Opinion helps you show it with clarity, consistency, and in a way they can understand and act on.

How Second Opinion improves your patient conversations, from diagnosis to decision.



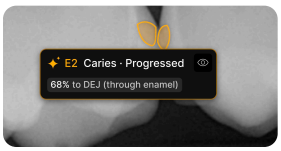
Educate

Turn complex diagnoses into clear conversations with radiologic findings and Tooth Parts mapping, building trust with every patient.



Explain

Color-coded overlays and take-home oral health reports make conditions immediately visible so patients can see what you see.



Reinforce

Pearl-powered findings back your clinical judgment with consistent, objective analysis, strengthening trust in your diagnosis.

Plan

Quantitative insights add precision to treatment planning, helping you present care that's tailored, credible, and easy to accept.

When you present with Pearl, *patients move forward.*

30% ↑ increase in treatment acceptance

> *With Pearl, my patients leave confident, not confused. We're all working from the same page, and that's the foundation of trust and quality care.*
