Arosha Afridi

EXPERIENCE

Graphic & UX/UI Designer - Contractor

DLR Group - Integrated Design Firm

Washington, D.C. | June 2025- July 2026

Collaborated with multidisciplinary design and urban planning teams to develop user-centered digital experiences, prioritizing usability and Section 508 accessibility. Contributed to website design, digital content, and data visualizations for urban energy management initiatives and master plans. Also developed environmental graphics, signage systems, and reporting materials, translating complex information into clear, accessible visual communications.

UX/UI Designer

FMP Consulting - Federal Managing Partners

Arlington, V.A. | Jan 2025- Apr 2025

Provided UX/UI consulting services to the U.S. Office of Personnel Management (OPM), developing Power BI dashboards and PowerApps solutions to improve HR operations. Led user research and workflow analysis to inform user-centered design decisions, creating intuitive and accessible digital experiences.

Experiential Graphic Designer

DLR Group - Integrated Design Firm

Washington, D.C. | May 2022- Dec 2024

Contributed to the experiential graphic design team by creating signage systems, interior experiential graphics, and comprehensive reporting materials. Designed and managed websites supporting projects in urban energy management and master plans.

Experiential Graphic Design Intern

DLR Group - Integrated Design Firm

Washington, D.C. | May 2021- May 2022

Contributed to the experiential graphic design team to support the creation of mural artwork, illustrations, branding elements, and graphic assets.

Graphic Designer

THRIVE - James Madison University

Harrisonburg, VA | Nov. 2020- April 2021

Managed THRIVE's branding and social media for the graduate school, creating custom illustrations, event infographics, and branded merchandise.
