
Our drinks are built on three things —
Harmony, Place, and Spirit.

Harmony is where it begins.
The balance of flavour that moves beyond the glass —
into the kitchen, the plate, and the conversation at the table.
Every sip should feel in tune with the food,
the mood, and the people around it.

Place gives each drink its soul. From the vineyards where grapes are grown, to the stills where spirits take shape — every ingredient tells a story of origin and keeps us curious

And then there's **Spirit**. That's pure Tigerfish — a flash of heat, a hint of mischief, and the spark that keeps the night going.

Together, these ideas shape everything we pour — drinks that are vibrant, connected, and just the right amount of wild.

COCKTAILS

Inspired by the flavours of Southeast Asia and the rhythms of the coast, each cocktail finds harmony between sweet, sour, salty and spirit. They're made to dance with our food, fuel conversation, and remind you why you went out in the first place.

Ponzu Pie-Ball **21**
Maple-infused Whiskey Liqueur, Yuzu Ponzu, Green Apple Juice, Lemon, Soda
Our creative twist on the classic highball using Yuzu Ponzu syrup, maple whiskey, green apple juice and lemon with a salted cream lemon tartlet. A delightful combination of fresh, citrus and salty flavours riffing off one of the foundation cocktails of history.

Cherry Possum **22**
Angelfish Gin, Cherry Heering, Davidson Plum Tea, Lemon
Our rendition of the Japanese 1923 Cherry Blossom cocktail created by Tasaburo Tao. WA Gin, Davidson Plum and black cherries dusted in plum powder- a little nostalgic, a little naughty, and very Tigerfish.

Tigerfish Sling **22**
Goji Berry Angelfish Gin, Ichigo Vinegar, Maple Syrup, Dom Benedictine, Lemon, Soda
A Singapore Sling shaped by Ngiam Tong Boon's 1897 original recipe from Long Bar. House infused goji berry gin. Triple-carbonated on site. Garnished with strawberry and black cherry.

Xu Dynasty Mimosa **23**
Scrapegrace blood orange gin, Mandarine Napoléon liqueur, orange bitters, orange juice, Prosecco
The mandarin has been the fruit of decadence for royalty in China since as far back as 200 BC. Given the high volume of queens we serve at Tigerfish, we wanted to give them an experience equivalent to that of the nobility of old. Scrapegrace blood orange gin, mandarin liqueur, orange juice and Prosecco come together with a light freeze-dried mandarin dusting for a vibrant and rich take on a staple of the cocktail world.

Frambuesa **23**
Nodo blanco tequila, raspberry juice, falernum, lime, dash of mezcal
A tribute to master distiller Esteban Morales creating a playful riff on the classic Daisy cocktail from mid 1800s (the foundation of the margarita). Raspberry juice, falernum, lime, Nodo blanco tequila and just a hint of mezcal. A fresh and zesty take on a timeless formula.

Yuzu Moon Martini **23**
Forty Spotted Citrus & Pepperberry Gin, Yuzushu, Lemon Reishu
A playful twist on the classic Martini. Yuzu Moon brings together Australian gin, bright yuzushu and a sake-based aperitif for a citrus-driven serve that's vibrant, elegant and unapologetically boozy.

Changwoo Caipirinha **24**
Burdekin white cane spirit, Korean green plum sauce, black cherry syrup, lime
Inspired by the culinary masterpieces of our head chef Stephen (aka Changwoo) utilising Korean green plum sauce (utilised in the Tomahawk steak) and freeze dried Mandarin (utilised in our crayfish dish). These flavours are balanced out with Burdekin white cane spirit from Queensland, black cherry and lime. A floral, sweet and complex flavour profile for the advanced palate.

Azul Spumoni **20**
Blanco tequila, Select Aperitivo, Pink Grapefruit Juice, Soda
An 80's Japanese classic built for sun and sea. Bitter, bright, and thirst quenching. If Negronis or Americanos are your vibe, this is your daytime fling.

For Rhonda and Rita **32**
Nikka From the Barrel, lavender-infused honey syrup, blackberry and hay soda, cardamom bitters, honey-glazed lavender garnish
This drink won the Australian championship of the Nikka Perfect Serve Cocktail competition and is taking our head bartender to Tokyo to compete in the international finals.

Created to express a memorable guest or experience this drink is a tribute to local legend Rhonda Sheehan and historical figure Rita Taketsuru. Japanese cask strength whiskey, lavender infused honey, and cardamom bitters play off a wheat and blackberry soda to create a floral, fruity experience designed for quiet sipping and contemplation.

Limited serves available.

SAKE LIST | CUP, FLASK & BOTTLE

Sake is the quiet achiever – nuanced, soulful, and endlessly expressive. Born from rice, water, and time, it reveals the artistry of restraint and precision. From bright and effervescent to deep and umami-rich, each pour tells its own story – a reflection of the land, the hands that shaped it, and the moment you raise your glass. At Tigerfish, we pour it with intention — to flow with our food, spark connection, and as a reminder that balance can be just as powerful as boldness.

Heiwa Shuzō 'KID' Sparkling Sake **17.5 / - / 70**
A fine, mousse-like fizz with aromas of pear, melon, and rice pudding. The palate is clean and slightly creamy, with a gentle sweetness balanced by refreshing acidity.

Sparkling Sake スパークリング酒 Sparkling sake is either bottle-fermented like Champagne or gently carbonated before bottling. It's lively, refreshing, and often lower in alcohol.

Miwasakura Shuzō 'Omusubi' Junmai **12 / 27 / 96**
Earthy and rounded with notes of steamed rice, chestnut, and dried mushroom. A gentle acidity carries a savoury, slightly smoky finish.

Junmai 純米 Junmai (meaning "pure rice") sake is made with only rice, water, yeast, and kōji — no added alcohol. It tends to show umami depth, savoury complexity, and texture. It's the bridge between rustic comfort and refined balance.

Kidoizumi Shuzō 'Shizenmai Hanafubuki' Junmai Ginjo **96**
Expressive and slightly wild — stone fruit, white flowers, and gentle lactic tang. A lively, natural fermentation gives texture and a savoury edge.

Junmai Ginjo 純米大吟醸 Junmai Ginjo sake uses rice polished to at least 60%, producing aromatic, elegant styles with a lifted fruit profile. These sakes are known for balance, purity, and finesse.

SAKE LIST | CUP, FLASK & BOTTLE

Ota Shuzō 'Dokan' Daiginjo **18 / 40 / 144**
Elegant and floral, with hints of pear, jasmine, and white peach. Fine texture and lingering finish reminiscent of soft mineral water.

Junmai Daiginjo 純米大吟醸酒 The highest grade of sake, using rice polished to 50% or less. Junmai Daiginjo is graceful, perfumed, and precise — showcasing craftsmanship and purity.

Mukai Shuzō 'Kyo no Haru' Nigori **13 / 29 / 106**
Milky, soft, and aromatic with notes of coconut, banana, and steamed rice. Creamy on the palate yet finishes refreshingly dry.

Nigori ("cloudy") sake retains some of the rice solids after pressing, creating a creamy, textured mouthfeel. Usually slightly sweet with tropical or lactic flavours, it's playful, textural, and a bit wild.

Mukai Shuzō 'Ine Mankai' Red Rice Sake Aka **17 / 38 / 136**
Vivid rose hue with aromas of wild strawberry, walnut, and soy. Rich, tangy, and slightly tart with long umami finish.

Aka (Red Rice Sake) Brewed from ancient red rice varieties, Aka sake develops a natural rose tint and complex nutty, berry-like flavours. It's savoury, earthy, and slightly
oxidative — a unique style bridging sake and light red wine.

The Legacy

Louis Roederer - Montagne de Reims, Champagne

Founded in 1776, Louis Roederer remains one of Champagne's most respected and enduring family-owned houses. Known globally for the legendary Cristal – first created for Tsar Alexander II in 1876 – Roederer has built its reputation on estate-grown fruit, meticulous vineyard management and a deep commitment to biodynamic farming. Today the house controls over 240 hectares of vineyards across many of Champagne's finest sites, allowing an uncommon level of precision from vineyard to bottle. Under the guidance of acclaimed cellar master Jean-Baptiste Lécaillon, Roederer crafts wines that balance power with finesse: Chardonnay brings lift and precision, while Pinot Noir adds depth, texture and structure. Regularly receiving top scores from the world's leading wine critics, the house is celebrated for Champagnes that are refined, complex and remarkably age-worthy.

The Vanguard

House of Arras - Tasmania, Australia

House of Arras has redefined the standard for Australian sparkling wine, proving that Tasmania's cool climate can produce wines of world-class pedigree. Founded and led by master sparkling winemaker Ed Carr – Australia's most awarded sparkling specialist – the house focuses exclusively on traditional method wines crafted with precision and patience. Fruit is sourced from Tasmania's best cool-climate vineyards, where long growing seasons deliver Chardonnay and Pinot Noir of purity and natural acidity. Extended lees ageing and meticulous blending create wines of depth, elegance and structure. With countless trophies and international accolades, House of Arras is widely regarded as Australia's benchmark sparkling producer – combining Old World technique with a distinctly modern Australian expression.
