2025	0	8

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

This program may result in freelance or self-employment.

• The work available to graduates of this program is usually for freelance or self-employment.

• This type of work may not be consistent.

• The period of employment can range from one day to weeks to several months.

• Hours worked in a day or week may be more or less than the traditional 8 hour work day or 40 hour work week.

• You can expect to spend unpaid time expanding your networks, advertising, promoting your services, or honing your skills.

• Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed as such so that they may be counted as placed for our job placement records.

• Students initialing this disclosure understand that either a majority or all of this school's graduates are employed in this manner and understand what comprises this work style.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

License Examination Passage Rates

Includes data for the two calendar years prior to reporting.

Year	Graduates	Taking exam	Passed first available exam	Failed first available exam	Passage rate
2024	2	2	1	1	50%*
2025	9	5	2	3	40%*

* Exam results are reported by exam year and may include graduates from earlier years.
First recorded attempts are used where first-available exam dates are not independently verified.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Definitions

• “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

• “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

• “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

Definitions (continued)

• “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

• “First Available Exam Date” is the date for the first available exam after a student completed a program.

• “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

• “Salary” is as reported by graduate or graduate’s employer.

• “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh calendar day after enrollment, whichever is later. The school may retain the $100 enrollment fee except where a full refund is required by law. All other institutional charges are refundable during this period. Written notice may be mailed or delivered to the School Administrator or Owner, Oakland Barber Academy, 5499 Bancroft Avenue, Oakland, CA 94601. No particular form is required. Cancellation is effective when written notice is sent or delivered. If the applicant is not accepted, all payments are refunded.

After the cancellation period, students may withdraw by written notice or through conduct, including lack of attendance. Withdrawal is determined upon notice, termination, two weeks of absence without notice of intent to continue, or failure to return from approved leave. The withdrawal date for refund calculation is the last recorded date of attendance. No separate refund application is required.

Students who withdraw or are terminated after completing 60% or less of the period of attendance receive a pro rata refund. Subtract applicable lawful nonrefundable charges from total institutional charges, divide by contracted hours, and multiply by scheduled hours through the last date of attendance. Refund payments exceeding earned tuition and lawful nonrefundable charges. After more than 60%, tuition is fully earned, subject to law.

The $100 enrollment fee and issued kit ($500) and learning materials ($500) are nonrefundable after the cancellation period only to the extent permitted by law. STRF is $0. All required refunds are made within 45 calendar days of cancellation or withdrawal. If federal student financial aid funds were received, the student is entitled to a refund of money not paid from federal student financial aid program funds.
