INSTRUCTIONS

PRAY! As you bake the cookies, pray for the prisoners who will receive them.

Make your cookies sturdy. Delicate, pretty cookies will crumble.

Chocolate chip cookies are preferred, but sugar, snicker doodle and peanut butter cookies are also popular.

Cookie mixes and pre-mixed dough are fine. GFS frozen cookie dough balls work well.

NO powdered sugar, frosting, sprinkles, nuts or raisins on/in the cookies. But chocolate chips, M&Ms, and Reese's pieces are fine.

Consistent size is important. Please do your best to make the cookies 3 inches in diameter.

Place 2 dozen cookies in 1 GALLON zip-lock bag (avoid slider zip-lock bags).

Let baked cookies COOL completely before bagging.

Do NOT use burned or broken cookies.

Do NOT put anything except cookies in the bag. Anything other than cookies will have to be removed.
