Marc Ilgindan

Pre-Kindergarten Teacher

“My educational approach is "learning by doing". Every child is an individual with different needs. I support each one in their areas of growth as well as with their strengths. Through hands-on practice and trial and error, new skills are unlocked, and children gain a sense of achievement.

I love that Lakeside School supports both children and teachers in their future goals.”

Professional Experience

- Since 2015, I have been working with children aged 6 months to 13 years old and have had the role of group leader, floater and class assistant. This has meant that I have worked in three different locations. Zurich Seefeld, Zollikon und Uetikon am See, Switzerland

Qualifications

- Fachmann Betreuung Bilingual EFZ, Tandem International Multilingual School, Switzerland
