NEW STUDENT ENROLMENT FEE

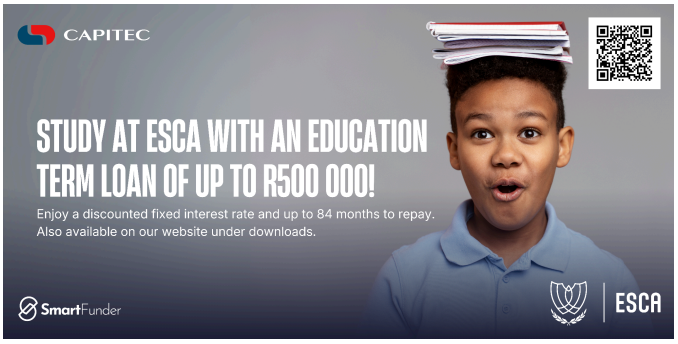
This is a once-off fee that secures your child's place at the school. Like most independent schools, we implement this fee for several reasons:

- **Securing placement** – Once a place is offered, the fee confirms your acceptance and ensures we can commit that space to your child, rather than offering it to another family on the waiting list.
- **Commitment to enrolment** – It provides certainty, allowing us to finalise class sizes, staffing, and resources in advance.
- **Upfront costs** – It contributes towards initial expenses for new students, including administrative processing, orientation, and preparation of learning materials.

ANNUAL LEVY

- Wanderers Club annual membership
- Local excursions and transport (day trips, grade camps, bus hire for outings).
- Technology and learning platforms (device management, software/licensing, printing/photocopying).
- General classroom supplies and consumables used throughout the year.
- Co-curricular costs (team admin and small tournament hosting costs)
- Events and community activities (orientation days, awards evenings, parent evenings).
- Contingency for programme delivery (unpredictable “anomaly” costs, so we don’t have to keep billing ad hoc through the year).
- EXA Global - students will have access to ESCA’s in-house international consultancy, specialising in creating personalised pathways for students to access top U.S. and European universities.

FINANCIAL SUPPORT (Smartfunder)



OTHER IMPORTANT POINTS

- Fees do not include textbooks, official Cambridge or GED® examination fees, school uniform, out-of-province tournaments or training kits.
- An administration penalty of R500 will be levied monthly on all late payments not received by the 7th of the month.
- Tuition fees are payable monthly/termly/annually in advance, for 12 months of the year.
- A term’s notice, in writing, is required should your child leave the school.
- All fees are subject to an annual increase.
- Please ensure that all school and sport-related fees are kept up to date. Should the account fall into arrears, the family will be given a repayment deadline of two months to settle the outstanding balance. Failure to do so may result in the termination of the student’s enrolment at the end of the applicable term.
