No-Cook Playdough Recipe

Ingredients:

- 2 ½ cups flour
- ½ cup salt
- 1 tablespoon Cream of Tartar
- 3 tablespoons oil
- 2 cups hot water

Directions:

Combine flour, salt, and Cream or Tartar in a bowl. Mix and make a "well," then add oil. Pour hot water (wait for the whistle on the tea kettle to know that it is hot enough) into oil "well" and then mix. Playdough will be sticky at first. Continue to mix until dough forms. Remove from bowl and knead. If playdough is still sticky, add flour while kneading until desired consistency is achieved.

Note:

To add a scent: Replace 1 tablespoon of oil for 1 tablespoon of an essential oil, or add powdered drink mix (e.g. Kool-Aid) to flour mixture for scent and color.
