CAB & CHASSIS

NOW AVAILABLE FROM ACELA

BUILT FOR SEVERE DUTY

5-YEAR WARRANTY
Industry-exclusive coverage available

DURALINK® SUSPENSION Up to 11,950 lbs. of payload* on defense-rated super singles.

RIDE QUALITY WITHOUT COMPROMISE

Acela's DuraLink® multi-rate, four-link, coil-over suspension delivers outstanding ride quality and handling across a wide variety of terrain without compromising towing or payload. Optimized suspension and steering geometry maximize wheel travel and add the lift needed for super-single, defense-rated tires.
