…… (date)

Agreement to use Vitaquinone® trademark in the visual field of …..... (name of the product)

This Agreement is made between VitaSynth and ……, a company incorporated in …….. (country) with business address …… .

Whereas VitaSynth is the producer of Vitaquinone® …… Vitamin K2 as MK-7 (the "Ingredient") and the owner of the word trademark Vitaquinone® (the "Licensed Mark"), and

Whereas a company …….. desires to use the Licensed Mark in connection with its food supplement containing the Ingredient, in accordance with the following terms:

Regarding the use of the Licensed Mark, VitaSynth hereby gives permission to company …….. to use the word/graphical trademark in the label of the food supplement. The said use operates as an individualization of the food supplement and promotes the Ingredient as a unique feature of the product.

Such a permission is granted as long as company …… uses Vitaquinone® vitamin K2 products as only vitamin k2 in their product ……

Company ……. acknowledges that this permission may be altered in the future, however any new requirements or conditions may be introduced by Vitasynth with minimum 12 month notice and would not affect already produced goods.

Company …….. acknowledges that this permission may be revoked in the future in case Vitasynth gather analytical or commercial evidence that company …….. has stopped using Vitaquinone® vitamin K2 products as only vitamin k2 in their product. Such termination of this agreement would have an immediate effect affecting any future manufacturing of product …… for or on behalf of company …… Already produced goods would not be affected.

For as long as company …… uses Vitaquinone® vitamin K2 products as only vitamin k2 in their products ……, VitaSynth shall not increase the agreed price of the Ingredient.

Company …….. shall send samples of their product …….. (first and third batch produced with Vitaquinone® vitamin K2) to Vitasynth address (recipient: Ms Agata Pundyk).
