Minors

A "Minor" is hereby defined as any individual who is under eighteen (18) years of age or has not reached the age of majority as defined by such individual's jurisdiction of primary residence by the date of commencement of the Event. In order to Participate in the Event in any way, an unaccompanied Minor must obtain the prior written permission of their parent or legal guardian (the "Guardian") prior to any Participation, including, but not limited to, sending any information to Management, entering any sweepstakes or contests in connection with the Event, posting any information on the Event websites or Platform, or purchasing any Credentials or other goods or services related to the Event. The use of Credentials by a Minor or any Participation in the Event by a Minor is a representation and confirmation that such Minor has obtained the prior consent of their Guardian. Management recommends that any and all Minors Participate in the Event accompanied by their Guardian, it being understood, however, that Minors under the age of thirteen (13) **MUST** be accompanied to the Event by a Guardian, and if such Minor attends any live component of the Event they must be accompanied by a Guardian at all times in and around the Venue. **NOTE**: It is a Guardian's sole responsibility to determine the suitability of the Event for any Minors in such Guardian's care, regardless of any official age suggestions and/or restrictions which may be described in these Terms of Service.

Management reserves the unrestricted right to deny entry, ban, or remove any unauthorized participants from any such Event Feature.

Participant is solely responsible for Participating in the Event in a timely manner and for observing any specific time(s) and/or time limits provided to Participant by Management. In the event Participant fails to Participate in any part of the Event at the specified time and Participant is subsequently unable to Participate in such part of the Event, Management shall have no obligation to provide any refund or any portion thereof. Management is not responsible for delays and/or wait times in connection with any Event Features or with the Event itself. Management may reasonably change the time of an Event Feature in order to accommodate any unexpected occurrence that causes any Event Features being delayed, or ending earlier than expected or later than expected.

Cancellation Policy

Management reserves the right to cancel or postpone the Event, or any part of the Event, on limited or no notice, in Management's sole and absolute discretion. In the event of a cancellation or postponement of the Event, Management shall not be responsible or liable for the payment of any costs, damages, fees, expenses or other compensation or monies associated with the Event.
