FOR CHURCHES & FAITH COMMUNITIES

Need inspiration for your next adventure in life? Move beyond the impossible and imagine what's possible by dreaming big. Recognize the "angels" and allies who are ready to help. Launch with confidence and excitement, and learn in the great outdoor classroom and cathedral.

I am the Paddle Pilgrim. This spirit has taken me down the Mississippi River, the Erie Canal and Hudson River to the Statue of Liberty, the fjords of Norway, and the Mekong River in Southeast Asia. These epic journeys capture the people, cultures, spirituality and history of diverse peoples around the world. They became my teachers and friends. What will your adventure be?
