NOMOQ
The can do company

We are NOMOQ, a young high-tech company supplying beverage companies with digitally printed beverage cans. Our international team consists of ambitious and experienced experts and entrepreneurs. We offer unprecedented customer orientation and enable beverage manufacturers to create unique designs with unprecedented speed and flexibility based on the latest technology and digital processes. Our name comes from "NO Minimum Order Quantities" and is our promise to deliver premium packaging in small and medium quantities. We don't rest until the beverage cans we decorate look as perfect as our customers' beverages taste. This is our promise and our passion.

Warehouse Assistant (f/m/d)

Full-time (40 hours per week), shift rotation 6:00 am–2:30 pm and 2:00 pm–10:30 pm, Leamington Spa

You make sure the right materials are in the right place at the right time at our UK site. Reporting to our Warehouse Manager, you work closely with our Machine Operators, Assistant Machine Operators and Production Team Leaders to keep our production lines running smoothly and get our customers' orders out the door accurately.

Your tasks:

- You load and unload goods safely and in line with our standard operating procedures, with zero damage
- You receive, process and dispatch goods accurately in our Warehouse Management System (WMS), and make sure the right goods go to the right customer address
- You store materials in their agreed locations following the first-in/first-out (FIFO) principle, keeping item codes and products clearly separated
- You prepare and supply materials to our production lines so they never stand still because material is missing

- You follow our food safety guidelines and our Health & Safety policy at all times
- You keep the yard organised, clean, safe and fit for use
- You support the production team with pallet preparation after printing
- You archive and log manufactured MO boxes

What you should bring:

- **A valid forklift licence and hands-on forklift experience (essential)**
- Previous experience in a warehouse, logistics or production environment
- You are a confident computer user, and experience with a WMS is an advantage
- You are fluent in English
- You have a strong sense of accuracy and care when handling and recording goods
- You have an understanding of health & safety in a warehouse setting, and food safety knowledge is a plus

Who you are:

- You have good communication skills and work well in a team
- You are flexible and adapt easily to changing priorities and production needs
- You are reliable, organised and take ownership of your work
- You bring a positive "can do" attitude and a commitment to doing things right first time

What we offer:

- Competitive salary and 33 days holiday allowance
- Hands-on work in a modern production environment with cutting-edge digital printing technology
- Friendly, international and highly experienced team
- Room to learn and grow
- You will be part of a growth story: we are a pioneer in the beverage packaging market and will seize this opportunity to become the leading European player

A growing company in a booming market with many exciting challenges awaits you. With our work, we want to offer our customers added value and also make a contribution to sustainable growth.

Does this job appeal to you and do you have the necessary qualifications? Contact us at jobs@nomoq.com and tell us about yourself and what you want to achieve with us. Your contact person is Mariia.
