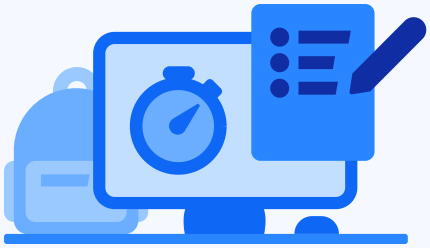
GL Grammar 11+ Verbal Reasoning Paper



About this test

This is a practice paper designed to familiarise your child with the types of questions they will see in a GL Grammar 11+ Verbal Reasoning Paper exam.

What you'll need

- Printed practice paper and answer sheet
- Pencil
- Rubber
- Timer

Taking the test

Your child should mark their answers on the answer sheet, not in the question paper. This is good practice for the real exam which will have a separate answer sheet like this.

On the answer sheet, your child should record their answers by drawing a clear line through the answer box with a pencil. Mistakes should be rubbed out and not crossed out.
