*In most areas of the country, state, or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.*

A man and a woman are shown in a close embrace, their faces close together. The man is on the left, looking down with a somber expression. The woman is on the right, her head resting against his. The background is a bright, slightly blurred outdoor setting, possibly a funeral home or a place of mourning. The overall mood is one of sadness and support.

# *Saying Goodbye*

It's never easy, but saying goodbye is a natural and healthy part of the grieving process. At our funeral home this can take place in a number of ways. From a more traditional ceremony joined by family and friends, to a private, meaningful service with your immediate family. Regardless of how you want to say goodbye, our professional staff is ready to serve.
