# 2027 Lodging Policy

The Pathway Utah is a **Stay to Play Event**. Triple Crown Sports (TCS) works with a wide variety of lodging partners in our tournament locations to secure team-friendly properties with competitive rates for all participants and to ensure sufficient rooms for all attending teams.

To be scheduled to play in this event your team must fit into one of the following three categories (by June 11, 2027):

1. Teams and families are REQUIRED to book via our convenient online EventConnect lodging platform. This will automate and simplify booking rooms (minimum requirement is 25 total room nights per team, i.e. 5 rooms for 5 nights). You do NOT need to report your rooms on the TCS website.
2. Local teams within 60 miles of the event area will be exempt. Our online lodging software uses zip codes to automatically mark teams locally, so no exemptions are needed. You will likely still get a lodging email with a link so you can access our great rates if needed.
3. Out-of-town teams that wish to stay outside of the TCS lodging options, such as campgrounds, rv parks, VRBO, etc. OR doesn't meet the minimum lodging requirement of 25 total room nights per team are required to pay the Lodging Surcharge of $400/team on the event website.

Upon registering for the Pathway Prospect Games, each player will receive a welcome email from EventConnect with your custom booking link. This link will give you and your families easy 24/7 access to book our partner hotels as well as track them for reporting purposes. It's important to quickly share the link with your team manager or all your families because you cannot book without this dedicated link. You can view availability, and rates at any time via the event website under LODGING PARTNERS but it is view only not booking.

It is easy to block, share and book! If you choose to stay at the same hotel you, your manager, or a parent can easily HOLD a block of rooms for 10 days where each family can BOOK into. Individual families can also choose to stay at a different hotel on this list that best meets their needs, and their room nights will automatically be counted under your team.

***Any reservations booked through a third-party provider (i.e., directly with the hotel, Hotels.com, Expedia, Hotwire, Hotel Planners) or using reward points or booked outside of the TCS room block will not fulfill your requirement and require the lodging surcharge to be paid or your team will NOT be scheduled into the event. ***

If you have any questions along the way please contact our lodging manager, ben@triplecrownsports.com or if you have technical difficulties or need your link again simply reach out to support@eventconnect.io
