1. The member will receive an email on the lead up to the month of their birthday. The email address is what we received on their membership application.

3. A swipe/scan of a members membership card during the month of their birthday will activate a paperless voucher on their account.

4. This voucher will be available for redemption at the Buffet Till for 1 Adult Buffet Meal for the month of the members birthday only.

5. The voucher is only valid for the month of your birthday and is only available for that member. (The member MUST have their card or digital card with QR code with them to swipe or scan. The voucher can only be redeemed in this manner). You may be asked to prove your identity.

6. The voucher cannot be used for special buffets e.g. Mother's Day, New Year's Eve.
