Dominican Republic
April 3-9, 2027

Dates | Saturday, April 3-Friday, April 9, 2027

Team Leaders | Wilson Joiner (wilson.joiner@northstarchurch.org), High School Pastor
Megan Strange (megan.strange@northstarchurch.org), Missions Director

Eligible Participants | Current High School Students

What is the purpose of this trip? | Students will partner with TIME Missions in the Dominican Republic to support local churches and communities through construction ministry, evangelism, outreach, and Christ-centered service.

What is the Mission Project your Group will be participating in? | Students will help with a variety of tasks for a growing church community currently meeting in homes and outdoor spaces. In addition to construction projects, students may participate in sports ministry, community evangelism, Vacation Bible School, showing the Jesus Film, and other outreach opportunities. The team will attend a Dominican church together and share in team devotions and worship each day of the trip. They will also have a chance to see what tourism in the DR looks like and gain a greater appreciation for Dominican culture.

Cost: TBD (*likely around $2,000*)

- $300 deposit is due at the time of registration
- 50% of remainder balance due Jan 1
- Final balance due March 1

What does the cost include? | Round-trip airfare from Atlanta, housing, ground transportation, most meals, chapel construction supplies, and a Mission trip t-shirt

What does the cost NOT include? | Checked bag fees (students will pack in carry-ons), snacks, souvenirs, and travel meals

What additional considerations are there?

- This is a physically active and labor-intensive trip that may not be a fit for students with conditions or preferences that limit physical participation.
- Students must register and complete all tasks in Managed Missions
- Immunizations should follow physician recommendations. There are currently no vaccine or COVID testing requirements for this trip; if that changes, related costs would be the student's responsibility.
- A current passport or proof of passport application is required for registration. Passports must be valid through at least October 15, 2027

Is NorthStar partnering with another organization? | We are partnering with TIME Missions

Special points of interest | Helping support a local church community, serving alongside missionaries and ministry leaders, participating in outreach and evangelism opportunities, experiencing Dominican culture, and growing spiritually through missions and service.

Additional questions? | Feel free to email megan.strange@northstarchurch.org
