Year 2 Home Learning – 18th November 2026

English

This week we have been learning how to write clear instructions. For your Home Learning, write simple instructions for something you know how to do, such as washing your hands, brushing your teeth, making your bed, tying your shoelaces, or packing your school bag. Remember to use bossy (imperative) verbs and clear steps. Click the link below to remind yourself what imperative verbs are.
