WHAT IS HOPE CAFÉ?

Hope Café is a special CityTeam tradition where unhoused neighbors are welcomed into our dining hall for an elevated restaurant-style experience. This includes a nutritious multi-course meal, menus, tablecloths, waiters, and often live music. CityTeam is able to host this special meal with the help of volunteer groups.

WHAT IS THE ULTIMATE GOAL?

We want our guests to feel dignity and respect. Restaurant dining and the ability to order from a menu is not a luxury many of our unhoused neighbors get to experience. Hope Café is a simple way to show love to our community. We want to build relationships with our guests and provide on-ramps to other CityTeam services and programs.

WHAT IS REQUIRED OF VOLUNTEER GROUPS?

- 15-20 volunteers committed to a 3 hour shift.
- Volunteers must over the age of 14.
- Dress comfortably and modestly as you will be moving quickly to serve. Closed-toe shoes are required.
- Generous attitude, caring smile, and kind words. Volunteers who serve at tables should be open to conversing with guests.
- Commitment to the Project Plan, which will be provided to you.

WHAT DOES VOLUNTEERING LOOK LIKE?

- Individuals in a volunteer group will choose the following roles: Greeter, server, host, kitchen helper, or food runner.
- Volunteers will set & decorate tables and serve food to guests.
- Groups will work with CityTeam residents to help clean-up the kitchen and dining room after the meal.
