

PSALM 23 – BE NOT AFRAID!

The Lord is a good Driver

I shall not want.

He always looks for exit that says, "rest area",

For us to take a break.

This Driver is very a professional, long-time licensed,

I feel so secure that I can sleep if I want.

This Driver never exceeds the speed limit.

He follows the rhythm of my life as if I am in a dance.

In addition, He empathizes with me,

Shares my worries, stresses and hopes.

Along the way He gives me good advice.

He shares His life experiences with me.

He teaches me how to live with my neighbor.

I feel comforted, whenever I am traveling with this Driver.

This Driver always invites me to eat at the food court,

Where I get many choices,

I have my fill.

My deepest desire is to spend every day of my life with Him.

Truly, if you choose God as the Driver of your life,

You'll never be afraid!
