# WHAT IF THEY WON'T COME TO CHURCH...

# BUT THEY'LL COME TO A *Play?*

**'PETE'**
Peter's story of calling, failure, forgiveness and restoration.

**GENESIS 'JOE'**
The life of Joseph — betrayal, adversity, providence and forgiveness.

**'CHRISTMAS JOE'**
The Nativity through the eyes of Joseph.

**PLAYS ON WORD THEATER & RADIO** illuminates Scripture through compelling one-man biblical theater, original music and Bible teaching. Audiences are invited to experience familiar biblical accounts, with fresh eyes, while giving your congregation something meaningful to invite family, friends and neighbors to.

*"Our goal has never been to replace the pulpit, but to prepare hearts for it and send people back to the Scriptures with renewed wonder."*

— **FRED KENNEY, JR.**
*Pastor, Founder & Artistic Director*

## MORE THAN A PERFORMANCE. AN OPPORTUNITY FOR OUTREACH.

There are people in your community who may hesitate when someone says,
*"Come to church with me."*
But they MAY say yes to,
*"Come see this play with me."*
**Plays On Word** gives your congregation an approachable way to invite someone through the doors — and once they're there, **Scripture does the talking.**

# WHY BRING PLAYS ON WORD TO YOUR CHURCH?

**BECAUSE SCRIPTURE IS THE CENTER — NOT THE PERFORMANCE.**

Plays On Word exists to serve the local church, not compete with it. Our theatrical productions are rooted in the biblical text and designed to help audiences encounter familiar passages with fresh attention — then return to Scripture wanting to see, understand and go deeper.

## BUILT WITH PASTORS IN MIND.

Plays On Word Founder & Artistic Director, **Fred Kenney, Jr.**, is not only an actor, musician and Bible teacher — **he is also a Calvary Chapel pastor**. Fred understands the responsibility of the pulpit, the importance of biblical fidelity and the desire of pastors to offer something creative without compromising the Word. Plays On Word began years before Fred became Senior Pastor of **Calvary Chapel Southport** and remains an independent ministry. But his pastoral calling now brings another dimension to the ministry.

*We understand the church because we serve the church, too.*
