REFERRAL PARTNER TERMS

Refer-a-Friend: Give $5, Get $5. When someone you refer uses your personal referral link to create a new Proof account and completes their first Notarize Transaction, they get $5 off that Notarize Transaction and you get a $5 credit (each a "**Credit**" and collectively "**Credits**") toward a future Notarize Transaction on the Proof Platform. The program is open to Users who are 18 or older, have an account in good standing, and have access to the Platform. You can refer as many people as you like and there is no limit on the Credits you can earn, but each new User can receive the $5 referral discount only once. Credits are added to your account after your friend's Notarize Transaction is completed and paid for. Credits do not expire, have no cash value, and cannot be transferred or redeemed for cash. No rewards are given for self-referrals, duplicate accounts, or transactions where you are the Notary.

Share your link only with people you know personally. Do not spam, post your link on coupon or deal sites, promote it through paid ads, or misrepresent Proof. Proof will not issue rewards where doing so would violate applicable law, including the Real Estate Settlement Procedures Act (RESPA), and real estate settlement service providers may not participate in connection with any federally related mortgage loan. Proof may reverse Credits for refunded, charged-back, or cancelled transactions, errors, or suspected fraud or abuse, and may suspend participation for violations of these terms. Proof may change or end the program at any time, and credits earned before the program ends will be honored. You are responsible for any taxes that apply to Credits. Personal information is handled under the Proof Privacy Policy. These terms supplement the Proof General Terms, which apply to your participation. Capitalized terms not otherwise defined have the meanings given in the General Terms or the Proof Glossary. **BY SHARING YOUR REFERRAL LINK, YOU AGREE TO THESE TERMS AND THE GENERAL TERMS, INCLUDING INDIVIDUAL ARBITRATION AND THE JURY TRIAL AND CLASS ACTION WAIVERS IN SECTIONS 13.8 AND 13.9 OF THE GENERAL TERMS.**
