EROSION DINING TABLE

MATERIALS, FINISHES & SELECTED VARIATIONS

CARLYLE COLLECTIVE

BY ARTISCAPE

DIMENSIONS

Width: 109.1" (277 cm) Depth: 46.5" (118 cm) Height: 31.5" (80 cm)

MATERIALS

Oxidized aluminum and marble.

STRUCTURE AND METAL DETAILS

The legs and metal details within the tabletop are available in aluminum or bronze. Selected patinas, oxidation treatments, colors and surface finishes may be considered for each metal. The legs and tabletop details may use different materials, finishes or patinas, with the overall combination reviewed to preserve the character of the work.

TABLETOP VARIATIONS

Selected tabletop variations include alternative marble and natural or decorative wood veneer. Stone and veneer selections, together with their colors, textures and finishes, are reviewed for artistic coherence, sourcing availability and technical suitability.

DIMENSION OPTIONS

Alternative dimensions may be considered individually. The studio reviews proportions, production feasibility, pricing and lead times before confirming a proposed specification.

PRICING

The patinas and surface finishes offered for the selected metal are included in its price. A bronze version requires a separate quotation. Marble and veneer choices, including their surface finishes, may affect pricing and are quoted for the agreed specification.
