DIMENSIONS

Width: 23.2" (59 cm) Depth: 22.0" (56 cm) Height: 25.2" (64 cm)

MATERIALS

Bronze and wood; presented in Bronze and Bronze Gradient versions.

STRUCTURE

The structure is available in bronze or aluminum, with selected patinas, oxidation treatments, colors and surface finishes appropriate to the chosen metal.

TABLETOP VARIATIONS

Selected tabletop alternatives include bronze, aluminum, stainless steel, wood veneer and lacquered finishes. Materials and finishes may differ between the three tops, with the overall composition subject to artistic and technical review. Natural and decorative veneers may be considered; lacquered finishes are subject to availability and technical feasibility.

METAL TABLETOP SURFACES

Bronze tops may be fully textured or smooth, with polished, satin or matte finishes and selected patinas. Each bronze top may have its own finish and patina. The smooth and textured surface options apply only to the tabletops, not the supporting structure. Aluminum and stainless steel tops may be polished, satin or matte; aluminum also permits selected oxidation treatments and color variations.

DIMENSION OPTIONS

Available exclusively in the original dimensions.

PRICING

The patinas and surface finishes offered for the selected structure material are included in its price. Aluminum in place of bronze requires a separate quotation. Tabletop materials, veneers and finishes may affect pricing and are quoted for the agreed specification.
