

SAMPLE GUIDE

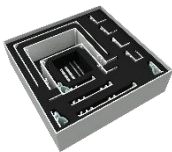

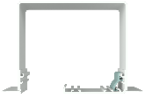

Blindspace® Sample Kits serve as an essential sales tool, helping architects, designers, builders, and their clients visualize the concept.

For contractors and installers, individual 50mm box samples are available to provide a better understanding of the product before installation.

Blindspace offers Box Sample Kits, Track Sample Kits and Black Sample Kits free of charge to shading and AV companies, architects, and designers. Only a delivery fee of £30 / €30 / \$30 applies.

For custom samples of any size or showroom installation products, Blindspace provides a 50% discount off the trade price.
