Please pay close attention to your exhibit space dimensions and plan accordingly taking into consideration the following restrictions regarding aisle widths. Any questions of clarification should be directed to show management before set up takes place.

- All RV Dealer displays over 5,000 sqft must have 1 entry in the front of the display and another at the back of the display. Preferably to main aisles.
- Interior aisles of RV Dealer displays must be a minimum of 4' at their narrowest point. For example if two RV's are displayed parallel to one another and the steps coincide with each other, their must be a minimum of 4' between the steps.

TEAR DOWN POLICY

We all have somewhere to be this time of year

With that said this show closes at 5:00pm.

We stop selling tickets at 4:00pm, and at that time and only that time, are you allowed to dismantle your booth and begin taking stuff to your vehicles.

If you begin to dismantle your booth before 4:00pm, you will not be allowed to come back to this show and or any others events that I hold- EVER!

This is not an unreasonable request, and one I would appreciate your full cooperation.
