

The Centennial Celebration Committee

Date: September 24, 2025

Subject: Centennial Planning Update

The Centennial Celebration Committee is advancing plans for two key initiatives: a monthly Centennial Film Series and a commemorative coffee table book. The film series will feature themed concessions and sponsorships, while the book project is in the early stages of sourcing printers and forming an ad hoc committee. A Centennial Concert Series is also proposed to fund these efforts.

Key Action Items in Progress:

- Finalizing the film licensing budget and securing sponsorships.
- Confirming printing capabilities with local vendors (Selkirk Press, Keokee, 7B Copy).
- Scheduling a meeting to discuss book layout and design.
- Compiling the ad hoc committee for the coffee table book.
- Determining film run times and distributing the movie list.

The committee is actively working on these next steps.
