

Community Outreach Meeting Minutes 10/08/2025 5:15-6:15pm

Present: Charlotte Solly, Ruth Lever, Sean Behm, Andreas Nicolades

Apologies: Robb Poutre

1. Tours

Charlotte had contacted Mandy Rodgers but had no response. Will retry

2. Arts and Craft Fair

This would not be an appropriate event for us to attend

3. Apple Fest

This event will be on Saturday October the 18th. It was decided that we would do a tabling event with popcorn and apples available and also do theater tours between 12 and 2pm

Action

As many community outreach committee members as possible to attend the event. Ruth will come prior to start popcorn earlier. Other volunteers should be available from 11:30 for set up. Please let Charlotte know if you can attend

4. Collaborate with the Museum.

Plans to collaborate with the museum for the winter carnival for a showing of the 'Centennial Film' to involve the movie and relevant artifacts from the museum.

We would also like to see if this would be something that would be appropriate for elementary aged students.

Also to reach out to POAC to try to have a similar collaboration for 'Living Voices' the klondike with a display of artifacts from the museum

Action

Sean to talk to POAC to gauge interest, meeting with Dyno this month

Charlotte to contact VP at Farmin Stidwell to gauge school interest

5. High school volunteer, intern program

Action Ruth and Charlotte to contact the high schools to promote the Panida and design a varied volunteer program for high school students with possible internship or scholarship opportunities in the future.

Next Meeting Wednesday November 12th 5:15-6:15pm Panida Conference Room
