Resource Inventory for Sustainability

Date:

ROSC Council:

This document is designed to help you assess and track the resources necessary for sustaining your efforts. The resources are categorized into three key "buckets" to reflect varying levels of need: **Core**, **Intermediate**, and **Ideal** within the **"Ask, Share, Charge, and Earn" strategies**. Please take time to evaluate the following areas with your coalition, keeping in mind the full spectrum of resources required to achieve your goals.

Core (Essential)	Intermediate (Most Desired)	Ideal (Ancillary)	Current Sources	Notes
Ask				

Share				
Charge				

Earn				

Next Steps:

- Review this document with your coalition/partners/agency.
- Identify immediate gaps and opportunities for funding or resource management.
- Create an action plan for securing funding and resources for short-term and long-term sustainability.
