## CR-05 - Goals and Outcomes

### **Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)**

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

This Consolidated Annual Performance and Evaluation Report (CAPER) describes the activities undertaken during the program year beginning July 1, 2024 and ending June 30, 2025 using federal funds granted to the City of Hoboken by the U.S. Department of Housing and Urban Development (HUD) under the Community Development Block Grant (CDBG) program. Activities and accomplishments described in this report primarily benefit low- and moderate-income residents of the City of Hoboken, neighborhoods with high concentrations of low- and moderate-income residents, and the City as a whole. The City of Hoboken received \$1,057,610.00 from CDBG funds in Program Year 2024.

### **Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)**

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goals.

**Table 1 - Accomplishments – Program Year & Strategic Plan to Date**

**Assess how the jurisdiction’s use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.**

All CDBG funds spent during the 2024 Program Year went for activities that addressed high priority items identified in the 2020-2024 Consolidated Plan, specifically for services for the homeless, the elderly and youth, and infrastructure improvements benefiting low-mod areas or eligible clientele.

## CR-10 - Racial and Ethnic composition of families assisted

### Narrative

The data reported above is taken from an evaluation of each individual activity completed during the 2024 program year, rather than from the PR-23 report, which is often inaccurate. The table above does not include the 3,509 persons who were served by the CDBG program during the 2024 program year that identified as Other Multi-Racial.

## CR-15 - Resources and Investments 91.520(a)

### Narrative

There are no target areas within the City of Hoboken.

## **Leveraging**

**Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.**

As in previous years, the City of Hoboken does not serve as the sole source of funding for any of its recipients/partners. All the housing and social service providers have various streams of funding available to them and in many cases, the funding received from the CDBG program represents a very small portion of their overall budget. The City's investment of 2024 Program Year CDBG funds included projects that leveraged the Federal investment in the Hoboken Housing Authority. The City of Hoboken's CDBG program is not subject to a matching requirement.

## CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

	One-Year Goal	Actual

Number of households supported through Acquisition of Existing Units	0	0
<b>Total</b>	<b>0</b>	<b>0</b>

Table 6 – Number of Households Supported

**Discuss the difference between goals and outcomes and problems encountered in meeting these goals.**

While the need for new affordable housing remains high in Hoboken, the relatively small allocation received by the City does not permit it to use funds for the creation of new units. Instead, the City provides funding to support and rehabilitate affordable units in the Hoboken Housing Authority.

The City of Hoboken funded four activities in the Program Year 2024 to improve affordable housing. Specifically, project activities included the replacement of generators, upgrading network switches

and UPS back-up power supplies to enhance security, and the purchase and replacement of boilers and ancillary equipment in Housing Authority-owned buildings at a combined cost of \$1,336,250.43.

**Discuss how these outcomes will impact future annual action plans.**

The City of Hoboken will place a stronger emphasis on bid-ready projects in order to improve the likelihood that projects will be completed in the Program Year in which they are funded and otehrwise allow the City to make better progress towards achieving the one-year goals of its Annual Action Plans.

**Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.**

Number of Households Served	CDBG Actual	HOME Actual
Extremely Low-income	1,190	N/A
Low-income	3,436	N/A
Moderate-income	3,212	N/A
<b>Total</b>	<b>7,838</b>	N/A

**Table 7 – Number of Households Served**

**Narrative Information**

The majority of beneficiaries in 2024 were supported through public service programs as opposed to housing programs.

## **CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)**

**Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:**

### **Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs**

The City of Hoboken provided \$45,000.00 in 2024 CDBG funding to the Hoboken Shelter for operating expenses. Additionally, the City of Hoboken provided \$15,000.00 to the Hoboken Community Center in the 2024 Program Year for the Food Pantry Service.

### **Addressing the emergency shelter and transitional housing needs of homeless persons**

As previously mentioned, the City of Hoboken expended \$45,000.00 in CDBG funds during the 2024 Program Year. Additionally, the City of Hoboken provided \$15,000.00 to the Hoboken Community Center in the 2024 Program Year for the Food Pantry Service.

### **Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs**

In the 2019 Program Year, the City of Hoboken awarded \$10,000 in CDBG funds to The Waterfront Project, Inc. for housing counseling and legal advocacy services. The program provides free services to individuals and families facing eviction. In total, 50 households were served by the program. Additionally, the City of Hoboken provided \$15,000.00 to the Hoboken Community Center in the 2024 Program Year for the Food Pantry Service. Other public service agencies that were provided funds in 2024 and serve low-income individuals and families include: True Mentors, Act Now Foundation, Computers for People, Community Lifestyle, Hoboken Public Education Foundation, and Family Planning.

### **Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again**

The City's investments into programs serving the homeless population were limited to the activities described above. All of these programs attempt to prevent or shorten the number of time families and individuals experience homelessness. The City, nor the Hudson County Continuum of Care, is supporting transitional housing projects for the homeless.

## **CR-30 - Public Housing 91.220(h); 91.320(j)**

### **Actions taken to address the needs of public housing**

The City of Hoboken regularly invests a large portion of its entitlement funds into addressing the needs of public housing. In 2024, the majority of CDBG funds expended (\$454,123.45) were allocated for upgrading boilers and security at Housing Authority properties.

### **Actions taken to encourage public housing residents to become more involved in management and participate in homeownership**

Public housing residents are involved in the management of the Hoboken Housing Authority, and are encouraged to become a voice for each of their respective apartment complexes. The Hoboken Housing Authority has monthly board meetings in different areas of the City to encourage a wide-ranging participation. All CDBG capital projects are presented at public board meetings. A resolution must be approved by the HHA board to authorize each project.

### **Actions taken to provide assistance to troubled PHAs**

The Hoboken Housing Authority is not designated as a "troubled" PHA.

## **CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)**

**Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)**

The City of Hoboken adopted an Affordable Housing ordinance, Chapter 65A, in 2012. The ordinance promotes and regulates the creation of city-wide affordable housing. The ordinance requires developers seeking a density variance to make at least 10 percent of their housing stock affordable for very-low, and moderate-income families.

The City adopted a guidebook entitled "Administration of Affordable Units: Policies and Procedures Manual" to explain how eligible individuals and families are placed into Hoboken's Affordable Housing units, and to provide instruction for working with developers, property owners and landlords as new affordable units become available.

**Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)**

Many of the City's investments of Program Year 2024 CDBG funds focused on addressing underserved needs. The City carefully evaluates each CDBG proposal for its ability to address an underserved need. Programs that are inundated with a demand for services beyond the organization's capacity to fund the services become highly ranked in the application review process.

**Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)**

The City is an active partner in the Hudson County Lead Hazard Reduction Program and Healthy Homes Initiative. The program provides funds to owners of housing with funds to reduce or eliminate hazardous lead paint from their homes. In addition, the Hudson County Division of Health and the Jersey City Health Department both have active lead testing and lead treatment programs. The City of Hoboken actively supports those efforts in ensuring that children and adults are aware of the dangers of lead poisoning. Free blood testing programs are held regularly.

**Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)**

The City's most significant action to reduce the number of poverty-level families is the funding of the Hoboken Community Shelter's Food Pantry service. During the 2024 Program Year, the City of Hoboken provided \$15,000.00 to the Hoboken Community Shelter Food Pantry service, among other public service agencies that support low- and moderate-income individuals and families.

**Actions taken to develop institutional structure. 91.220(k); 91.320(j)**

The City's Department of Community Development is responsible for the management, implementation, and monitoring of the Consolidated Plan documents, the Annual Action Plans, and other documents related to CDBG compliance. To help develop an institutional structure, the City maintains a Policies and Procedures Manual for the administration of CDBG funds.

**Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)**

The City uses its citizen participation activities to enhance coordination between public and private housing and social service agencies by involving each of them in the City's efforts to seek community feedback and publish the results.

**Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)**

In January 2019, the City of Hoboken released the final draft of an Analysis of Impediments to Fair Housing Choice. The AI identified a number of actions that could be taken to overcome the effects of impediments identified in the City. Additionally, the City submitted a Language Assistance Plan for limited English-proficient populations to HUD-Newark's Fair Housing and Equal Opportunity Office in June of 2018 and reviews periodically to maintain compliance.

## **CR-40 - Monitoring 91.220 and 91.230**

**Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements**

The City continuously monitors its programs for compliance with HUD requirements with respects to Public Services, Program Administration, and Public Facilities. Each project is reviewed for eligibility in terms of National Objectives and Eligibility requirements as stated in 24 CFR Part 570. The City makes required HUD certifications with regard to fair housing, non-discrimination, employment opportunities, labor compliance, and outreach to minority businesses.

Performance reviews take place through the scrutiny of reports submitted for the expenditure of grant funds. The City also conducts annual periodic remote and on-site monitoring utilizing the "Checklist for Monitoring of a Subrecipient". If monitoring reveals discrepancies or deviations in regards to levels of accomplishments, performance, budget, procurement, progress reports or other special conditions, this will be identified as a "finding". The subrecipient will be notified accordingly and remedial action will be taken.

## **Citizen Participation Plan 91.105(d); 91.115(d)**

**Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.**

A draft of the 2024 CAPER was put on public display from September 8, 2025 through September 22, 2025 for the 15-day public comment period. A public hearing was held on September 16, 2025 at 6:00PM to report on the CDBG accomplishments and collect public comments. No comments were received. Public notices for the public hearing and public display of the draft were published on the City's website and in the paper on August 29, 2025. For additional information, please see the Citizen Participation attachment.

## **CR-45 - CDBG 91.520(c)**

**Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.**

Ongoing assessments of community needs and ongoing successes of the City's CDBG program in addressing those needs suggest that no significant changes are needed in the program's objectives. The program will continue to seek efficient, effective means to provide housing, facilities, and services to our most vulnerable residents.

The City is always looking for ways to improve and ensure the program meets both the requirements of the federal government and those of the local residents.

**Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?**

No

**[BEDI grantees] Describe accomplishments and program outcomes during the last year.**

2020	The HCC pantry was started on March 25, 2020 and during the period of July 1, 2020 through June 20, 2021 many new registrants signed up and began to receive assistance. Between March 2020 and December 2020, the pantry kept hard copy records of individual and families requesting assistance. Beginning in January 2021 the pantry converted to an electronic platform for keeping track of assistance that is made available through the Community Food Bank of NJ.

**Description:**

Hoboken Housing Authority maintains a large data network that encompasses the transmission of the video security network as well as the site-to-site connectivity for the Housing Authority's Data Network.

This Network has been in operation for nine years and is failing in many areas.

In addition to the network equipment, each site has a UPS (Uninterruptable Power Supply) that serves as a power back-up during short outages and power spikes.

The application is to upgrade all of the originally placed network switches and the corresponding UPS Back-up power supplies.

The proposed replacements will also offer fast speeds between sites to handle the increased data traffic since originally specified.

In addition, a reconfiguration will ensure that the systems remain operational and prevent traffic reductions.

Additionally, there are some locations that the Authority would like to add cameras to address existing issues.

<b>Years</b>	<b>Accomplishment Narrative</b>	<b># Benefitting</b>
2023	<p>In 2023, we successfully donated over 300 computers to individuals in need as a part of the Hoboken CDBG grant, enabling hundreds to gain access to critical resources such as jobs, education, and telehealth services. By providing these refurbished computers, we helped bridge the digital divide, supporting those who would otherwise struggle to participate in an increasingly digital world. This contribution not only provided essential technology but also empowered recipients to connect with opportunities that improved their economic and personal well-being.</p> <p>One of the biggest challenges we faced this year was acquiring enough computer donations to meet the demand. We found that the beginning of the year tends to be particularly tough for securing donations, as companies and individuals are less likely to contribute old equipment during that time. This limitation created delays in our ability to meet the consistent and urgent demand for computers. To address this, we are exploring ways to increase donation outreach efforts during these slower periods and diversify our computer donation sources.</p>

2024	In the 2024 program year (July 1, 2024 to June 30, 2025), we distributed a total of 20,226 bags across our food, hygiene, and newly launched weekend hunger backpack programs, serving 2,165 unique households reaching 6,373 individuals, 35% of whom are children. We launched the Weekend Hunger Backpack Program in April 2025 in partnership with Hoboken Public Schools. Currently, we are working with all three public elementary schools to provide weekend backpacks filled with food for students at risk of weekend hunger.
