EXPLORE VA COMMUNITY CARE OPPORTUNITIES

Whether you are an established CCN provider or interested in participating in VA Community Care, these resources and support steps will help you get started.

1 EXPLORE RESOURCES

Start with these helpful resources to learn more about VA Community Care:

- Spartan Medical: Caring for Veterans through VA Community Care
- VA Community Care Partnerships and Veteran Care Agreements
- VA Community Care Provider Manual

2 LEARN THE BASICS

- Understand how VA Community Care works, including partnerships and Veteran Care Agreements.
  - Review the VA Community Care Provider Manual.
  - Determine if participating as a Community Care Network (CCN) provider is the right fit for your organization.

3 EXPLORE, REVIEW & DOWNLOAD

- Explore innovative care options, including advanced skin substitutes and additional products to support Veteran wound care and healing needs.
- Review product brochures and the RFS form that goes along with each product.
- Download the brochures and pre-filled RFS forms to have ready to fill out and submit to your local VA.

4 GET PROCUREMENT SUPPORT & CONNECT

Spartan can provide you with:

- A simplified, step-by-step workflow guide
- A walk-through of the Community Care acquisition process
- Your RFS form (VA FORM 10-10172)
- A pre-filled starting point for your VA request
