

# We Answer the Call for Better Neurosurgery Coverage

## Struggling with Finding Neurosurgeons to Take Call?

Conquer the obstacles presented by incomplete call coverage by relying on Surgical Colleagues. We provide an effective, cost-efficient, and dependable answer to your call challenges. Together, we can help you:

- ◆ Increase hospital market share
- ◆ Build higher patient satisfaction scores
- ◆ Provide exceptional patient care in a timely manner
- ◆ End patient transfers
- ◆ Stop long wait times for on-call surgeons
- ◆ Generate new incremental revenues
- ◆ Provide earlier patient discharges

### We are your Best Solution to Optimize Call Performance

We are a hospital-based practice with a unique business model designed to benefit hospitals, patients and physicians. Specialty call is our only focus. Plus, all our practice revenues stay in the hospital to reduce the cost of our services.

### We Provide Proven Results When you partner with Surgical Colleagues, you enjoy:

- ◆ Care provided by a consistent team of neurosurgeons
- ◆ Reliable and prompt on-call surgeons. Our answer is always "We'll be right there."
- ◆ We provide a practice vs. a coverage model, which includes a follow-up clinic
- ◆ Best Practices to reduce variability of care
- ◆ Improved collaboration and communication with hospital staff to improve outcomes
