current

## Welcome to Current!

Thank you for choosing Current. We are committed to providing you with a secure and seamless banking experience. To ensure you receive the fastest and most accurate assistance regarding your account, please review the important support information below.

## Important Account Support Information

While Cross River may be referenced on your card, account documentation, or banking records, all account servicing and customer support for your account is managed directly by Current.

For assistance with your account, please contact Current directly using the support information below:

**Phone:** 1-888-851-1172
**Email:** support@current.com
**Website/Help Center:** support.current.com

- Please contact Current directly for all account related assistance.

**Please Note:** Cross River is unable to access or assist with account-specific servicing requests for your account. Contacting Current directly will ensure the quickest resolution to your inquiry.

**Thank you for being a valued customer of Current.** We appreciate the opportunity to serve you and remain committed to providing you with excellent support and service.

**Sincerely,**
Current
