KRASNOGOROV STUDIO

SURFER

Drawn as a single fluid gesture and shaped entirely by the hand of artist and master woodworker Vladimir Krasnogorov, this sculptural console traces one slender line that parts gracefully in two, where strength, balance and organic grace come together in a form that seems suspended between architecture and nature.

MATERIALS
Sapele

LEAD TIME
10-14 weeks

DIMENSIONS
96"W x 10"D x 10"H
81"W upper

DESIGNER
Vladimir Krasnogorov
