Whatever happens next, I want you to know this moment was worth fighting for. You're the one who made it all worthwhile. Your presence in my life has been the greatest reward of all. God isn't limited by our mistakes; He wants us as we are – imperfect, flawed, and searching. He's not concerned with our past or present state but rather sees our potential for growth. Life can be dull at times, but if you focus on the good things that still bring you joy, hold onto them tightly. Eventually, things will start to look brighter again. I'm drawn to Elijah Iverson, but I know it's impossible – he's my older brother's best friend and now engaged to someone else who deserves him more than I do. He's kind, dependable, and perfect for him. As for me, I've chosen a different path, dedicating myself to God through a life of chastity and prayer. However, Elijah is here with me on our monastery road trip, and the closer we get, the more my resolve weakens. The whispered confessions, stolen kisses, and shared moments by ancient altars are eroding my commitment. It would take an extraordinary person to resist Elijah's allure, someone beyond human – a saint. I'm no saint; I'm just a flawed individual trying to find balance between faith, duty, love, and desire. This is the story of Aiden Bell's brother, exploring themes of faith, duty, sex, and love in a forbidden romance. This standalone novel can be read independently of Priest or Sinner but is part of The Priest Collection featuring Father Bell's family members. Tyler Anselm Bell, a 29-year-old priest, shares his forbidden tale of sin and lust with his congregation. A family tragedy led him to the priesthood, but his life takes an unexpected turn when he meets Poppy Danforth, whose sultry voice captivates him through the confessional booth. Despite the vows that bind him, Tyler finds himself breaking all rules for Poppy, risking everything.
